

# ACCIDENTAL FRIENDS

Pietro, a rough and passionate Roma football fan, is suddenly dumped by his girlfriend Lolly, who is fed up with being second to football and his friends. Omero, a serious, and refined young gay man, is also left by his partner Andy, who proposes to him in a public flash mob, putting him on the spot. Omero, now alone in a house that is too big and financially burdensome, is forced to find a roommate. Pietro, who is also looking for a place to stay, ends up living with Omero due to a humorous misunderstanding. Their unusual cohabitation goes well until Omero realizes he is living with a homophobe full of prejudices, at which point he reveals to Pietro that he is gay. Pietro starts questioning his friendship with Omero. However, when he discovers Lolly in the arms of someone else, Omero offers him unexpected help to win her back. Maybe having a gay friend has some positive aspects that Pietro had never considered...
