BAD HABITS

Diana Liviatani is joined in her family house by her almost new boyfriend, Orlando who is going to meet her scary parents. Due to his insecure, clumsy and embarrassing personality, Orlando insists that his best friend Biagio goes along with him. The social gap between the two friends and the Liviatani family is obvious from the start. The Liviatani have been part of the high business class for generations. The misadventures and the personal problems distract the two unfortunate friends from the creepy secret that hides behind the mansion's walls...
