## CALIBER 9

Milan, Nowadays: Fernando, son of Ugo Piazza, is a brilliant criminal defense lawyer whose mother, Nelly, has done everything in her power to raise him different from his father, a deplorable gangster.

When 100 million euros disappear in a telematic fraud, and the prime suspect is Fernando Piazza's client, his name is set to be dangerously compromising. Especially if the frauded company is actually a cover up for the most powerful criminal activity of the world, the 'ndrangheta mafia.

Milan, Plati, Frankfurt, Toronto, Melbourne and Antwerp are just a few of the moves Fernando is forced to make in what will become the dangerous game of his life.

Produced by Santo Versace and Gianluca Curti for Minerva Pictures Group, with Rai Cinema in coproduction with GapBusters (Belgium), supported by MiBAC and Fondazione Calabria Film Commission.
