CLOSE TO ME

Luca and Sara, a couple in their early forties, are forced to stay at home and deal with living together 24 hours a day due to the Covid lockdown. Luca is a teacher in crisis and is having a hard time with the fact that Sara is richer than him. Frustrations and dissatisfaction give way to a morbid interest that the man develops towards his new neighbor, Amanda. He spies on her and becomes a spectator of her life, but when his desire for her becomes an obsession, Luca decides to get closer. The consequences will be disastrous..
